A Royal letter

Some of our Year 2 children received a very special letter this week from the Duke and Duchess of Sussex. The children had each wrote a letter congratulating Harry and Meghan on the arrival of their baby. The children were delighted to receive a letter from Kensington Palace thanking them for their letters. The children were absolutely over the moon to receive their Royal letters! Well done children!

Nursery sports day

Well done to all of the Nursery children who took part in their sports day this week. Thank you to everyone who came along to support the children and cheer them on. Well done children!

School disco

Your child has brought home a letter about the school disco which takes place next Thursday. The cost of a ticket is £2 and all of the money which is raised is used to support the children in school.

Parents evening

Thank you to all parents and carers who came to share the children's outstanding work this week. It was lovely to hear such positive feedback to school about the year the children have had. The children have settled well into their classes this week and are eager to show off the work they are completing! If you have any questions relating to your child's report then please don't hesitate to contact the school office to make an appointment to speak to the class teacher or contact me directly; Headteacher@jesmondgardens.com

Year 6

The children in Year 6 received their results of their SATS tests this week. Every child in year 6 had achieved highly and the results were a reflection of their hard work and dedication this year. As the children begin the next steps at Secondary school, they should reflect on how proud every member of staff is of each and every child and that the results are only a small part of all of the progress and achievements they have enjoyed this year.
