### Year 4 Camping

The children in year 4 have had a wonderful time camping this week. The children learned about the outdoors and built their own shelters. All of the year 4 children in our Academy Trust went camping and it was great to see and hear about all of the children enjoying their time together. A huge thankyou to all of the staff who took the children and made it such a fun event.

### Share a lesson

Thank you to all parents and carers who came to share their children's work this week. It was great to see so many parents in school and the feedback for having all of the sessions in one day was very positive. The children loved sharing of all their work and parents and carers continued support and partnership with school is vital to ensure our children continue to make outstanding progress.

### Statutory Assessments

The children in Year 6 and Year 2 are quickly approaching the time of year where they sit their SATS tests. Can I please remind all parents and carers of the importance of children being in school, on time, every day to make sure they are ready for their learning.

### School Visitors

We recently had some school visitors from a school in London who were looking at the Teaching and Learning as well as the Learning environment. The teachers were blown away with how happy and dedicated the children were and loved everything about our school. Well done children!
