## Weekly Newsletter

1<sup>st</sup> March

### Pedestrian Training

Children in Year 3 have been taking part in pedestrian training this week. They have been looking at how to stay safe near roads and cross roads safely. The children have enjoyed taking part in this training.

### Year 6 meeting

Thank you to all parents and carers who came to the Year 6 SATS meeting this week. Important information was given about the tests which take place during the week beginning. If you have any questions about the Year 6 tests then please make an appointment to discuss with class teachers.

### Rainbow day/World book day

We will be celebrating world book day next **FRIDAY**. It will be celebrated as one of our school rainbow days. Children will be taking part in a range of exciting activities and celebrating a range of poetry. Children can come to school dressed as their favourite book character or in their pyjamas.

### Parents Evening

Parent evening letters were sent home this week. Please complete these forms and return them back to school so that appointment times can be given. These meetings will be an opportunity to celebrate all of the hard work that the children have been completing in school.

### Attendance

Whole school attendance continues to increase and we have had lots of classes celebrating their attendance rewards. This week, our whole school attendance was **98.17%** which is brilliant! It is incredibly important that children are in school, on time everyday so they can access all of their lessons. Thank you for your continued support!

**On-Line Safety** - As you will have read in the local news and on-line, there has been incidents involving a character called 'MOMO'. We have placed guidance around keeping safe at home on-line on class dojo and as part of our school curriculum we constantly discuss with the children how to stay safe on-line.
