

Jesmond Gardens Primary School

Weekly Newsletter

1st February

Share a lesson

Share a lesson will take place across school next week. This is an opportunity for all parents/carers to come into school and share children's learning. These are always popular events and we really appreciate your on-going support.

School Visit

This week we had a visit from the Senior Leadership Team from a large primary school in York. They had come to discuss and observe how we use different learning spaces and technology to provide an outstanding education. Our visitors were very impressed with all aspects of school but especially how engaged our children were with their work and how confident they were with technology. Well done children!

After School Club

Our new After School Club has been a real success this week with lots of children staying after school and having lots of fun. The sessions run from 3.15-5.15 and cost £3.50 each child per day. They carry out a range of activities and receive snacks and refreshments. Please see the school office if you would like your child to attend the club.

Year 6 London trip

The next installment for the Year 6 school trip to London is due on the 8th February. If you would like to discuss any parts of the school trip, please don't hesitate to contact the school office or class teachers.

Trampolining

Congratulations to Ciara Hanson who came 6th in the National trampolining tournament, she was only primary school child who qualified for this competition out of all the primary school in Hartlepool. This is a wonderful achievement and the whole school is incredibly proud of this achievement! Well done Ciara!
