15th February

Rainbow day/world book day

Our next rainbow day is quickly approaching and we will be celebrating world book day on Friday 8th March. Your child is welcome to dress up as a book character OR they can wear their pyjamas. Your child is also very welcome to bring into school their favourite book. All children are welcome to join in the fun, from our youngest 2 year olds to Year 6. Thank you as always for your continued support.

RNLI

Children in Early Years have brought home some jars this week to raise money for the RNLI. If you have any spare 5p coins could you please pop them in and all money that is raised will be passed onto the RNLI to support their vital work. Thank you for your support in this

Science Visit

Some of our Year 5 children visited High Tunstall this week to complete some of their science work. They had a fantastic trip and completed some great work. They behaved exceptionally well and were a real credit to school. Well done children!

Attendance

As a school, we have worked very hard on school attendance to ensure that all children are in school, on time, everyday. This week for receiving 15 attendance certificates, Miss Harrington's class visited the cinema. They had a wonderful time and thoroughly enjoyed themselves. This was a real celebration of the whole class working together to win the prize. Well done children!

Staff

Today we sadly say goodbye to two of our valued staff members. Miss Felton will be leaving us today to start a new adventure working with children. Miss Felton has been a HLTA in school for 18 years and has been a vital part of school life and has inspired and supported hundreds of children in her time in school. She is someone who always puts a smile on everyone's face and cares passionately about each and every child she works with. Miss Tough who works in Year 3/4 will also be leaving and is moving to a new school much closer to home in Sunderland. She has been a wonderful TA who has worked incredibly hard to ensure all children have received the best education possible. The whole Jesmond Gardens family wishes them both all of the best for the future!
