Football tournament

Mr Hall took ten of our Year 3 footballing superstars to a tournament at St Aidan's this week. The children displayed excellent football skills as well as great sportsmanship. They finished runners up and scored some fantastic goals in each game. Well done children!

Comic Relief

The children in school have been raising money for this very worthwhile charity today. Thank you for your donations and these will all be sent on to Comic Relief.

Parent questionnaires

Thank you to all parents and carers who attended parents evening this week and filled out a questionnaire. They were incredibly positive with some lovely comments which celebrated all of the hard work and commitment that children and staff demonstrate every day. A full analysis of this will be sent home next week but if you have any further comments then please don't hesitate to contact me; Headteacher@jesmondgardens.com

Parking

I have had a series of meetings recently with the Local Authority regarding parking outside of school at the beginning and end of the day. The Local Authority are aware of concerns regarding this and will continue to issue fixed penalty notices when cars are found to be parked illegally. Please help to support the safety of children by not parking illegally when dropping off and collecting them. Thank you for your support with this.

Building Work

You will have seen in the past week that the building work has started on our new development at the front of school. The groundworks have begun with foundations being dug and we should begin to see real progress very quickly. The school Council are having regular meetings with the builders and are producing a book of the build which they are sharing with school.
