

# Jesmond Gardens Primary School

## Weekly Newsletter

8th February

### Share a lesson

Thank you to all parents/carers who came into school this week for 'share a lesson'. It was great to see so many parents working alongside their children and the feedback from the lessons was excellent. The children really enjoyed showing off all of their work and celebrating all of their achievements!

### Building work

You will have noticed this week that the site setup for our building work has taken place. This is very exciting for school and we hope to break ground next week. Due to the position of the building work we have closed the gate at the corner of Chester Road and Jesmond Gardens. This means that access to school is through the main gate near the car park. Parking along Jesmond Gardens continues to be a concern and we have had local PCSO's and community teams on site this week to ensure that parents and children can walk safely along Jesmond Gardens. The PCSO's will continue to visit school regularly to monitor parking. Please support school and the safety of our children by parking considerately. Thank you for your support.

### School snacks

As a school, we encourage healthy eating to support children's learning. We have noticed recently children bringing unhealthy snacks to eat at playtimes. If you would like to provide a snack, can you please send fruit in to eat at playtimes.

### School trips

Some of our older children have been to visit our local mosque this week as part of their RE topic. The children thoroughly enjoyed this visit and it has really supported their learning. The children behaved exceptionally throughout and represented our school well. Some of our Year 5 children have visited High Tunstall school as part of their science topic. Again, the children were a real credit to school and enjoyed their learning experience. Well done children!

### Star Pupils

	<b>Headteachers Award</b>	<b>Ethan Peckett</b>	
	Assistant Head teachers Award	Mrs Nicholson	Owen McGarry
		Mrs Stuart	Ethan Patterson
	<b><u>Star of the week</u></b>	<b><u>Writer of the week</u></b>	<b><u>Mathematician of the week</u></b>
